Hi Cristian,

Is UHRC able to clean the gutter across the street from the Rockwood Apts
16613 foothill blvd?

Per constituent, there is significant gray water stream running in the gutter.

Hello Alejandro
Just wanted to let you know what's going on in you're district

The stench goes on for about a quarter mile. The RVs in the pic above are all

dry meaning someone came here here to dump!! This is what happens when the city doesn't allow PD to do they're jobs! Ppl/transients know it and do whatever they want. Just disgusting
This pic was taken today April 24 at 5:56am location is across the street from the Rockwood Apts 16613 foothill blvd
